Please read the following carefully: BTHAR determines the criteria for fostering, decides which animals are eligible for foster care and which foster home is suitable to best meet the needs of the animal to be fostered. BTHAR require you to complete the foster application and to attend a Dog Foster Orientation Class prior to being accepted as a foster parent. BTHAR foster care volunteers may always refuse any specific request for any reason. BTHAR will inform you of any medical treatments to be administered, the anticipated length of the foster-care period, the objectives of each particular placement (restoring to health, rearing to adoptable age, socialization, etc.), and any other restrictions or expectations we may have. You will be expected to keep the animal safe and secure, and to attend with your fostered pet, the adoption events. You will be required to return the fostered pet if BTHAR requests so. You may not promise the animal to anyone, or imply that you have the authority to approve a potential adoption. BTHAR retains ownership of all animals placed in foster care, and will make all decisions regarding the adoption & placement of the animals fostered. BTHAR cannot accommodate people fulfilling court-ordered community service within the Foster Care Program. BTHAR does not accept into this program those convicted of violent crimes or crimes involving animal cruelty or neglect. Students seeking credit for school service requirements should speak with the Foster Care Coordinator to discuss the program before proceeding. BTHAR will provide the foster parent, food, bedding, and toys for the animal while it is in their care at home. The foster parent is responsible for transporting the animals to and from veterinary appointments. The foster parent is also responsible for transporting the animal to and from adoption events, and to off-site training classes, at the Foster Care Coordinator's discretion. Upon returning your foster animal to BTHAR you will be required to fill out a brief questionnaire about your foster animal's behavior and personality.

I have read and understand the statements above. I certify that all the information contained in this application is true and correct. I understand that although BTHAR takes reasonable care to screen animals for foster care placement, it makes no guarantees relating to the animals' health, behavior or actions. I understand that I receive foster care animals at my own risk and can decline to accept any animal for which BTHAR has asked me to provide care. I acknowledge that BTHAR is not responsible for any property damage or personal injury suffered by me, members of my household, including my own animals, or any third parties during a foster placement, and I assume liability to provide adequate controls to prevent such damage or injury.
